**Lane Closure Scheduled on Niblick Road for Veterans Memorial Bridge Enhancements**

PASO ROBLES, CA — The City of Paso Robles Public Works Department will be performing improvement work on the Veterans Memorial Bridge that will require a temporary lane closure on Niblick Rd next week.

On Monday, December 8, 2025, from 7:00 AM to 4:00 PM, crews will close a portion of the westbound right lane of Niblick Rd to install a city seal medallion on the bridge column and add new lettering designating the structure as the “Veterans Memorial Bridge.”

The lane closure is necessary to allow contractor crews to safely access the bridge column and complete the decorative enhancements. Motorists should anticipate minor delays and are encouraged to use caution when traveling through the work zone.

These improvements are part of a broader effort to honor local veterans and enhance community gateways.

For more information, please contact the City of Paso Robles Public Works Department at (805) 237-3861 or visit the City's website.
