SUBJECT: **Consider Serving on a Committee of the Templeton Community Services District**

The Templeton Community Services District is an independent government agency that provides Water, Sewer, Fire and Emergency Services, Solid Waste, Parks and Recreation as well as limited drainage and street lighting services for about 8,000 residents.

The District is looking for members of the public who are interested in serving on Internal Standing Committees. Committees are tasked with reviewing various projects, financial reports, and informational items to offer recommendations to the Board.

Committees meet 3-5 times per year, on an as needed basis, and typically during regular business hours. Committee members must be 16 years or older and reside within the Templeton CSD boundaries. Committee Members will be required to comply with the District's Conflict of Interest Code and file a Statement of Economic Interest Form 700 under the Fair Political Practice Commission. More information on the Form 700 can be found here:

[https://www.fppc.ca.gov/content/dam/fppc/NS-Documents/TAD/Form%20700/2023-24/Ref\\_Pamphlet\\_2023.pdf](https://www.fppc.ca.gov/content/dam/fppc/NS-Documents/TAD/Form%20700/2023-24/Ref_Pamphlet_2023.pdf).

The District has the following Standing Committees:

Administration/Finance Committee - Concerned with the financial management of the District, including the preparation of an annual budget, major expenditures and the annual audit. If the Committee determines that policies, programs and/or projects need to be addressed, a recommendation shall be made to the Board of Directors.

Water and Wastewater Utilities Committee - Concerned with the water and wastewater facilities, including maintenance and operations of the wastewater treatment plant, lift

stations, wells and distribution system. If the Committee determines that policies, programs and/or projects need to be addressed, a recommendation shall be made to the Board of Directors.

Fire and Emergency Management Committee - Concerned with 1) the Fire department's effectiveness, efficiency, incident response, property preservation, and the health, safety, and wellness of the community; and 2) formulation of an emergency team comprised of District staff, the analysis of the District's capabilities and hazards, and development of a plan/s to achieve the District's emergency response goals. If the Committee determines that policies, programs and/or projects need to be addressed, a recommendation shall be made to the Board of Directors.

Parks, Recreation and Refuse Committee - Concerned with 1) the oversight of recreation policies, programs and projects and parks and 2) overseeing the franchise agreement for Solid Waste and Recycling services to ensure the provision of excellent service to the residents and businesses within the Templeton CSD boundaries. If the Committee determines that policies, programs and/or projects need to be addressed, a recommendation shall be made to the Board of Directors.

Measure "A" Oversight Committee - Measure A was passed by District voters in 2019 to impose a special annual tax to fund Templeton Fire and Emergency Services 24/7 staffing. The purpose of the Committee is to independently review and inform the public and the Board of Directors concerning the expenditure of parcel tax revenues and to ensure that such revenues are expended in accordance with the intention of the voters.

Interested members of the public should submit an application for consideration by December 16, 2024. Committee members will be selected in January.
