Last Night to Experience #PasoLights Is January 11, 2026

PASO ROBLES, CA — The City of Paso Robles invites residents and visitors to enjoy the final days of 2025 holiday magic as the beloved #PasoLights display in Downtown City Park shines for the last time on Sunday, January 11, 2026.

Each holiday season, Paso Lights transforms City Park into a festive winter wonderland, featuring thousands of twinkling lights that illuminate the park's trees and pathways. The display has become a treasured seasonal tradition—perfect for evening strolls, family outings, and capturing memorable photos.

Following the conclusion of Paso Lights, the holiday decor will be taken down and replaced with the white tree lights, which will remain in place for year-round enjoyment, continuing to provide a warm and welcoming atmosphere in Downtown City Park.

The City encourages everyone to come out for this final opportunity to experience the holiday lights and to share their favorite moments on social media using #PasoLights.

This year's Paso Lights display was made possible in part by our sponsors. Their continued generosity and support truly shone a light on the heart of Paso Robles. Check out our full list of sponsors at [Paso Lights | Paso Robles, CA](#).

For more information about Paso Lights and other City events, visit www.prcity.com and check out the Community tab.

THANK YOU, #PASOLIGHTS/NYE SPONSORS!
