City of Paso Robles to Host Airport Master Plan Public Information Workshop

PASO ROBLES, CA — The City of Paso Robles invites community members, stakeholders, and aviation users to attend a Public Information Workshop for the Airport Master Plan update for the Paso Robles Municipal Airport.

The workshop will be held on **Wednesday, April 22, 2026, from 5:30 p.m. to 6:30 p.m.** at the Paso Robles Municipal Airport Terminal Building at 4900 Wing Way.

This public workshop is an opportunity for residents and interested parties to learn about the ongoing Airport Master Plan process, provide input, and help shape the future development of the airport. The Master Plan will serve as a long-term planning document to guide improvements, enhance safety, and support economic development while maintaining compatibility with the surrounding community.

Attendees will have the chance to:

- Review project goals and planning considerations
- Learn about existing conditions and future needs
- Provide feedback and ask questions directly to project staff

Community input is a vital component of the planning process, and all are encouraged to attend. The workshop will be an open house format with no formal presentation. Drop in at your convenience.

For more information about the Airport Master Plan or the upcoming workshop, please contact the Airport at 805-237-3877 (airport@prcity.com) or visit the City's website.
