EMS Response to Daniel Lewis Middle School

PASO ROBLES, CA – Paso Robles Fire and Emergency Services, San Luis Ambulance and the Paso Robles Police Department responded to the Daniel Lewis Middle School at approximately 11:17 a.m. on Friday November 3rd for the report of four students experiencing nausea and vomiting.

In total, 6 students were evaluated for symptoms that resulted from inhaling a sulfur substance that was released in the school locker room. All patients were triaged and two were transported by ambulance to a local hospital.

Paso Robles Police Department and The Paso Robles Joint Unified School District are investigating the incident.
