Natural Gas Leak Safely Mitigated; Railroad Street Reopened to the Public

PASO ROBLES, CA – Paso Robles Fire and Emergency Services is pleased to announce that the natural gas leak in the 1200 block of Railroad Street has been safely mitigated.

Following repairs by the gas company and a thorough safety assessment by emergency responders, all road closures have been lifted, evacuated occupants have been allowed to return, and the area has been reopened to the public.

We extend our sincere appreciation to the community for its patience, cooperation, and for avoiding the area while emergency crews worked to ensure the safety of residents, businesses, and visitors. Your cooperation allowed responders to work efficiently and safely.
