## SLO RANGE IMPROVEMENT ASSOCIATION TO CONDUCT PRESCRIBED BURN

**San Luis Obispo, CA** – The CAL FIRE San Luis Obispo Unit, in cooperation with the San Luis Obispo County Air Pollution Control District and the San Luis Obispo Range Improvement Association, will burn approximately 2000 acres at Huasna Ranch on Sunday, March 29, 2026. Using prescribed fire to manage vegetation in this manner enhances natural resources and meets fire management goals and objectives by reducing fuel loading, improving rangeland production, and diversifying vegetation structure.
