PRHS SkillsUSA State Results

Paso Robles, CA (April 24, 2024) - Paso Robles High School's SkillsUSA Chapter 211 recently showcased their talent and dedication at the 57th annual California SkillsUSA Leadership & Skills Conference held in Ontario, California from April 4-7th.

Students and Advisors from Paso Robles High School actively participated in the prestigious event. SkillsUSA, a renowned National, Career, and Technical Student Organization, caters to over 395,000 high school, college, and middle school students and professional members pursuing training programs in various skilled service occupations. Before the competition, students at Paso Robles received guidance and mentorship from teachers and community members representing diverse industries.

The hard work and preparation paid off as Paso Robles High School brought home an impressive total of 10 medals from the competition. Furthermore, three outstanding students have earned Gold Medals and the opportunity to represent Paso Robles High School at the National Competition in Atlanta, Georgia, scheduled for June 2024.

Paso Robles High School's success at the California SkillsUSA Competition exemplifies the commitment and talent of its students and their Advisors (Teachers). The chapter looks forward
