**PRJUSD Celebrates 30 Students for Earning Perfect Scores on State Assessment**

Paso Robles, CA—Paso Robles Joint Unified School District (PRJUSD) proudly recognized 30 students who achieved perfect scores on the 2024–2025 California Assessment of Student Performance and Progress (CAASPP), the state’s annual academic assessment for students in grades 3–8 and 11.

Earning a perfect score on the CAASPP is a rare and exceptional accomplishment, reflecting mastery of rigorous grade-level standards and a deep understanding of the academic content. These students reached the highest possible score available for their grade level—an achievement that demonstrates both skill and perseverance.

During the November 18 Board of Trustees meeting, Assistant Superintendent of Educational Services Erin Haley and Director of Curriculum and Instruction Maggie Tatman presented each student with a certificate recognizing their outstanding performance. The celebration also included a sweet treat, with cookies generously donated by Brown Butter Cookie Company.

“This level of achievement speaks to the hard work and commitment of our students, as well as the dedication of our teachers and families who support them every day,” said Haley. “We’re incredibly proud of these scholars and the excellence they represent across our district.”

PRJUSD extends its congratulations to all 30 students for this remarkable achievement and thanks the teachers and families whose partnership helps students thrive.

**About Paso Robles Joint Unified School District**

Paso Robles Joint Unified School District serves more than 6,400 students across northern San Luis Obispo County. Guided by its core values of integrity, accountability, collaboration, innovation, compassion, and belonging, PRJUSD is committed to providing a safe, supportive environment where every student feels valued, empowered, and prepared to thrive.
