Paso Robles Joint Unified School District Announces Save the Date for Paso Robles Aquatics Center Ribbon Cutting

Paso Robles, CA—Paso Robles Joint Unified School District (PRJUSD) is pleased to announce a Save the Date for the long-anticipated ribbon cutting of the **Paso Robles Aquatics Center**, scheduled for **Friday, March 6, 2026**.

The Aquatics Center represents a major milestone for the district and the broader Paso Robles community. Designed to support student athletics, and physical education, the facility reflects years of planning, investment, and community partnership. Once opened, it will serve generations of students while expanding access to aquatic programs and events across the region.

“This project has been a long time coming, and we’re excited to finally share a date with our community,” said Superintendent Jennifer Loftus. “The Aquatics Center is an investment in student opportunity, wellness, and pride, and we look forward to celebrating this achievement together.”

The ribbon cutting will mark the official opening of the facility and provide an opportunity for community members, staff, students, and local partners to celebrate the completion of one of the district’s most significant capital projects in recent years.

Additional details regarding the event, including time, program elements, and attendance information, will be shared closer to the date.
