STUDENT SAFETY

Yesterday, Paso Robles High School students reported a SnapChat user made bomb threats towards the Paso Robles High School. We take all threats of violence seriously and investigated the threats. The account was associated with a local juvenile. After the juvenile and their parent were contacted, it was determined not to be a credible threat.

Please use this opportunity to speak with your children about the seriousness and consequences of their words. Juveniles making threats toward the school are subject to disciplinary action, including possible expulsion and criminal charges.

This is an ongoing investigation, and the Paso Robles Police Department is requesting anyone with any information to call the PRPD at (805) 237-6464 or persons wishing to remain anonymous are encouraged to call Crime Stoppers' 24-hour hotline at 805-549-STOP or by texting "SLOTIPS" plus your message" to CRIMES (274637).
