## **Paso Robles Recreation Plants the Seeds for New “Paso Play in the Garden” Program Launching June 27**

### ***New Partnership Between Garden Volunteers and Mobile Recreation Invites Families to Play, Learn & Grow in the Uptown Family Park Garden***

June 22, 2026 – PASO ROBLES, CA – Paso Robles Recreation, in partnership with community garden volunteer educators, will launch *Paso Play in the Garden*, a new free interactive workshop series designed to connect children with nature at Uptown Family Park Garden (641 36th Street). The kickoff event, *Butterflies & Blooms*, will take place from 11AM to noon on Saturday, June 27. Children will create seed bombs with pollinator-friendly wildflower seeds, make a butterfly craft, and explore the garden to identify host and feeding plants. The workshop will culminate with a butterfly release.

The free program is designed for young gardeners and their grownups, and no registration is required.

*Paso Play in the Garden* workshops will continue every other month on the fourth Saturday through the end of the year. On Saturday, August 22, *Spots & Sprouts* will take a deep dive into the fascinating life of the ladybug. On Saturday, October 24, *Batty About Bats* will introduce children to surprising facts about these important nighttime pollinators.

“We’re excited to be growing a new garden program for children and their families to enjoy together,” said Recreation Coordinator Heather Stephenson. “*Paso Play in the Garden* is a wonderful opportunity for families to play, learn, and grow together at Uptown Family Park Garden. We hope families will come and join the fun!”
