Paso Robles, CA — Sixty-seven students from Pat Butler Elementary School will take the stage in a magical production of Roald Dahl's *Willy Wonka* on March 12 and 13 at 6:00 PM. As part of a free program offered to all Pat Butler students, the musical encourages creativity, teamwork, and confidence while sharing an important message of kindness with the community. Audiences will enjoy lively songs, colorful costumes, energetic dance routines, and the whimsical adventure of Charlie Bucket's journey through Willy Wonka's chocolate factory.

"At Pat Butler, our students are the heart of our school community. Their curiosity, creativity, and courage shine in everything they do," said Christy Holman, Principal of Pat Butler Elementary. *"Whether in the classroom or on stage, they bring energy, imagination, and pride to our school community each day."*

This heartwarming production features students bringing songs, choreography, and the magic of storytelling to life. Audiences will enjoy lively musical numbers, colorful costumes, energetic dance routines, and the whimsical adventure of young Charlie Bucket through Willy Wonka's chocolate factory.

More than just a musical, the show highlights important themes for families: *kindness, honesty, gratitude, and the value of making good choices*. Students share a message that generosity and character matter far more than golden tickets.

"This production is about building confidence, teamwork, and creativity," said Christina Tavaréz, Paso Robles Schools District Theater Coach. *"My greatest joy is helping each of our 67 students discover and share their unique talents and personality."*

Come enjoy an evening of laughter, music, dancing, and a little chocolatey magic—because in this factory, kindness is always the golden ticket.
