## **Paso Robles Recreation Services Volunteers To Host Two Free Community Garden Workshops about Preparing Your Fall Garden**

Paso Robles, CA – Paso Robles Recreation Services volunteers will host a free public workshop at the Uptown Family Park Community Garden on Saturday, August 23, from 9:00 – 10:00 AM, and on Monday, August 25, from 6:00 – 7:00 pm. The events welcome participants of all ages to learn about preparing their garden for the seasonal transition into fall. The workshop will take place at Uptown Family Park, 641 36th Street, Paso Robles. No registration is required.

Thanks to the dedication of local volunteers, the garden has been revitalized and is thriving. It includes fruits and vegetables, but also cutting flowers, ornamentals, and common species used in landscaping on the Central Coast. These recurring workshops are held on the fourth Saturday of each month.

"We are thrilled to bring this hands-on, educational workshop to the community garden and create a welcoming space for learning and connection," said Wyatt Lund, Volunteer Coordinator. "These workshops are a great opportunity for residents to gather, grow, and appreciate the beauty of gardening together."

For details on upcoming events, please visit <https://www.prcity.com/811/Uptown-Family-Park>. For additional information, please contact Wyatt Lund at (805)237-3990 or [wlund@prcity.com](mailto:wlund@prcity.com).
