City of Paso Robles to Host Pioneer Day Parade on October 11, 2025

PASO ROBLES, CA – On the morning of October 11, 2025, the City of Paso Robles will proudly host the Pioneer Day Parade. This cherished community event is a celebration of our heritage and will feature a series of vibrant and festive activities.

To ensure the safety and enjoyment of all participants and spectators, several street closures will be in effect. Notably, Spring Street will be closed from 10th Street to 21st Street. Residents and visitors planning to travel through the downtown area on the morning of October 11th are advised to anticipate detours and increased traffic. Although the parade is scheduled for 10:00 AM-12:00 PM, drivers should expect road closures starting at 4:00 AM and lasting until 2:00 PM.

We encourage everyone to plan accordingly and allow extra travel time. Your cooperation and understanding are greatly appreciated as we come together to celebrate this historic occasion. For further details and updates, please visit the City of Paso Robles website or contact the Paso Robles Police Department.
