### **Paso Robles Senior Center to Host Community Resource Fair on June 24**

Free Event Connects Older Adults, Veterans, and Caregivers with Local Services

PASO ROBLES, Calif. — Older adults, veterans, caregivers, and family members are invited to attend a free Community Resource Fair on Wednesday, June 24, from 10:00 a.m. to 1:00 p.m. at the Paso Robles Senior Center, 270 Scott Street.

The fair will bring together local organizations, nonprofits, and service providers to share information about programs and resources that support independence, health, and quality of life. Attendees can connect directly with representatives and learn about services including housing assistance, legal aid, senior living options, home care, health and wellness programs, transportation services, and veteran resources.

The event provides a convenient opportunity to explore available services, ask questions, and discover programs that may benefit individuals and families now or in the future.

“This event is about bringing valuable resources together in one location and helping older adults access the support they need,” said Elaine Ernst, Recreation Services Representative. “Whether someone is looking for assistance today or planning for the future, there will be information and experts available to help.”

The Community Resource Fair is free and open to the public. Community members are encouraged to stop by, meet local service providers, and learn more about resources available throughout San Luis Obispo County.

The Paso Robles Senior Center serves as a vibrant community hub for older adults, offering recreational, educational, health, and social programs that promote active and independent living. The center provides opportunities for connection, lifelong learning, wellness, and access to resources that enhance quality of life for seniors throughout the community.

For more information, contact the Paso Robles Senior Center at (805) 237-3880.
