San Luis Obispo Young Republicans

February 26, 2026

Esteemed members of the press,

In this pivotal moment for our nation and our county, God's divine providence has brought forth the first-ever Young Republicans chapter in San Luis Obispo County—a bold new force dedicated to advancing faith in Jesus Christ, championing Republican principles, electing principled candidates, defending limited government, individual liberty, fiscal responsibility, strong national defense, and timeless moral values, while raising the next generation of leaders committed to God and this great nation.

As Founder and Chairman, I am deeply honored to extend this **personal invitation to you for our inaugural evening**, a gathering that marks the dawn of transformative conservative leadership in our community.

On **Saturday, March 28, 2026, at 5:30 PM**, we convene at the San Luis Obispo County Republican Headquarters, 7357 El Camino Real, Atascadero, CA 93422. Join distinguished honorable guest speakers—including District Attorney **Dan Dow**, **Michael Gates** (former Assistant Attorney General at the U.S. Department of Justice and candidate for California Attorney General),—along with myself and more guest speakers to be announced. As we share vision, insight, and resolve.

Your presence and coverage are essential to documenting this landmark launch. This evening promises to resonate far beyond our gathering, amplifying the voice of principled conservatism across SLO County and beyond.

Our Goal is Simple:

MAKE SLO COUNTY THE CONSERVATIVE CAPITAL OF CALIFORNIA

Space is limited; RSVP without delay to chairmansloys@gmail.com by March 20.
