Summer Teen Volunteer Opportunities with the
Paso Robles City Library
Apply now and join the adventure!

PASO ROBLES, CA –May 9, 2024 The Paso Robles City Library invites area teens entering grades 10, 11, 12 to join in the Summer Reading Program adventure by volunteering during June 10-August 10.

The Library Summer Teen Volunteer Program is an excellent way for teens to develop important employment skills, enhance social skills, and boost their college applications.

This year's program is full of new opportunities ranging from registering participants in the reading incentive portion of the program and distributing prizes to helping with lunch distribution in two locations and overseeing library activities at Centennial Park. There's even a spot for a social media assistant!

Summer Teen Volunteer applications are available [online](#) and in the Library and are **due by May 18**.

The Library is open Monday-Friday 9-7 and Saturday 9-4. Call the library at 805-237-3870 or visit prcity.com/library and the Library [Facebook](#) and [Instagram](#) sites for more information.
