INJURY TRAFFIC COLLISION

*******CORRECTION*******

The correct date of this traffic collision is 6/11/2024, and a picture has been attached.

PASO ROBLES, CA – On Tuesday June 6th, 2024, at approximately 1211 hours, Paso Robles Police Traffic Division and Paso Robles Fire and Emergency Services responded to a report of vehicle collision through a fence and into a residential structure located at the intersection of Experimental Station Rd. and River Oaks Dr.

When Officers arrived on scene it was determined this was a single vehicle collision with one occupant, a resident from Paso Robles, trapped inside their vehicle. Paso Robles Fire and Emergency Services was able to extricate the solo occupant of the vehicle, who was then transported to an area hospital for further treatment. Alcohol and drugs are not believed to be a factor in this collision.

This is an ongoing investigation, and the Paso Robles Police Department Traffic Division is requesting anyone with any information to call the PRPD at (805) 237-6464 or persons wishing to remain anonymous are encouraged to call Crime Stoppers' 24-hour hotline at 805-549- STOP or by texting "SLOTIPS" plus your message" to CRIMES (274637).
